Twenty 4 Seven

Ideal Notebook case for the well-equipped mobile executives

In contrast to conventional Notebook cases, this flexible toploading Notebook case comes equipped with a detachable Notebook compartment. It allows you to remove the Notebook compartment if it is not used so as to provide more space for other peripherals. On the front pocket, it has a complete workstation for storing all kinds of accessories as well as documents. The integrated headset opening also allows for the easy hands-free operation of your mobile phone or MP3/ CD-player. Further storage space can be found in the two-fold document compartment on the back side. In Twenty-4 Seven, we have incorporated a neoprene padding on both, the carrying handles and shoulder strap to enhance carrying comfort. A trolley belt is also included. Twenty-4 Seven is certainly the choice of the well-equipped mobile executives.

Cushioned, detachable Notebook compartment. main compartment for Notebook and documents. workstation for mobile accessories. pockets for documents, folders and magazines. integrated headset opening for easy telephone use or music listening. cable bag. carrying handles. cushioned shoulder strap. trolley fastening strap.
